IV. STATEMENT OF CLAIM

(State here as briefly as possible the facts of your case. Describe how each defendant is involved, including dates and places. Do not give any legal arguments or cite any cases or statutes. Attach no more than three extra sheets if necessary.)

1. Demonstrating a continuation pattern of (gross) negligence, cruel and unusual punishment of pain and suffering, DR. DANCHU; DR. MIHALY; PSYCHIATRIST; RN/CHCA A KOWALEWSKI; UNIT MANAGE T. GRANT; COUNSELOR MR. WILSON; DEPUTY SUPER. M. HOUSER; et.al; MR. JOSEPH J. SILVA@BUREAU OF HEALTH CARE SERVICES, at all times had knowledge that (see reverse side continuation)

Mr. Beckett was housed in an AC (not heated) environment in E UNIT 2-1, directly under a ceiling 6-vented system; even older men in E UNIT 3 often complained how cold they were; AND MR. WILSON (and NURSE WILSON,) both were in attendance of DVA, 11.10.2016, hearing the concern of DVA Physical; AND either party could have had in single celled inside 9 single cells on E UNIT because he wasn't sleeping, resting, etc... providing an electric blanket, heater (or immediate transfer to DALLAS; SMITHFIELD; OR HUNTINGDON renewing original longstanding Z CODE status. BUT NEITHER PARTY did nothing to honor the understood 006 REASONABLE ACCOMMODATION REQUEST FORM, ATTACHMENT 2-A, entered into on "8/8/16" with CHCA MR. DREIBELBIS; and RSDSA's MR. JIM BROATCH; and DVA; and family. He was even denied by and through UM MRS. GRANT and Medical the limited hill side yard access to return (as countless other's did) to unit whenever (seldom) sunny conditions would get too windy. In addition, RN JOSH. M and E Unit PSYCHOLOGIST MR. TIM, supported sign cell status to "pump up the heat," as NURSE JOSH would state to Mr. Beckett as his position during weekly staff meetings. Especially when all parties admitted there was very little treatment/care available. Yet, all parties denied to very minimum when observing Mr. Beckett often standing in Cell 16 door way; and inside the Laundry Room for heat. (Often the late MR. GARY BROWN would put his winter coat&winter cap inside the dryer on high late evening before lock up time. Because he is familiar with Mr. Beckett from DOC-SCI HUNTINGDON, he often spoke with staff about moving him, and butting Mr. Beckett in Cell 16 for the heat; to no avail. ... As all parties noticed the decline of Mr. Beckett's overall condition, nothing was done consistent with his medical/housing history.

- (1) SGT. BUBB, CO SCIVINO; DR. FORMMER; CHCA DREIBELBIS, et.al, clearly violates HIPPA (SGT. BUBB&CO SCIVINO) after the departure of former DEPUTY WHITSAL's resolve in (continued on reverse side@ (1))
2. GR#601407-15, concerning "two legal documents" originals, laminated, was on display, being held in the Chambers of HONORABLE JUDGE SYLVIA H. RAMBO@DOC.44,#03-CV-1716. Cpt. Ike documented same day of returning "whit-out," reads in pertinent part: "I/M Beckett, As part of our interview ... It is noted that you state the laminated sheet were missing after the Search. I do not contest that but have no record of confiscation." Exhausted without resolve "FINAL REVIEW, 2/19/16".-....

3.

V. RELIEF

(State briefly exactly what you want the court to do for you. Make no legal arguments. Cite no cases or statutes.)

1. Instantly appointment of counsel because he's had to rely on men who knows him from same DOC/SCI HUNTINGDON. And restoring long standing original medical/housing Z-Code, i.e. single cell status and state because of RSD/CRPS. And brain disorder, memory loss, (and diagnosed PTSD), that had been honored during and throughout §1983 #1:CV-10-0050 before HONORABLE JUDGE SYLVIA H. RAMBO, filed, 12.8.2010, when Department of Veterans Affairs-DAV, rating was then 40% AND per 11.10.2016 DVA tela med exam at same DOC, LAUREL HIGHLAND, in the presence of Connseilor Mr. Wilson, the DVA physician said to this effect, "The DOC must pay the damages for any increase caused by them." Requesting policy changes for person(s) with preexisting incarceration disabilities and those disabilities occurred during incarceration. And monetary damagesx\$1,000 per day while at DOC/SCI LAUREL HIGHLAND. Etc... GR#642545; GR#642866; GR#658463; GR#659768; GR#639312; GR#539148; Etc...
2. Recognition (and monetary damages) for "two legal documents." Were originals laminated lost/destroyed forever by DOC's CO BICKEL&CO HUBBART "shake down," mistakenly or not is never retrievable or replaceable. That had previously been before HONORABLE JUDGE SYLVIA H. RAMBO, inside her personal control for inspection during Civil #1:03-CV-1716. Same authentic by "HANDWRITING SERVICES INTERNATIONAL" EXPERTS, MR. CURT BAGGETT-TEXAS and MR. BART BAGGETT-LOS ANGELES at the expenses of family/friends of Mr. Harry L. Beckett. \$200,000.00 damages per GR#601407-15's written response by CPT. IKE, pertinent part only: ... "It is noted that you state the laminated sheets were missing after the Search. I do not contest that" ... Etc...GR#601407@ "2/19/1
3. Continue, if by reopening, previous related Civil #1:CV-10-0050 in light of repeated grievances demonstrating the "continuity of care"; "negligence"; "damages" by the entity of the DOC - repeatedly - going "deliberately indifferent" in medical/housing/treatment/transfer, etc... history. Etc...

Page 3, (1) continuation is, GR#551213-15, et.al. That resulted in further retaliatory actions, that resulted in violating the "continuity of care," when §1983@#1CV-10-0050. Exhausted in GR#639312-16; et al. ADA 006 REASONABLE ACCOMMODATION@I. Major Life Activities&J. Physical or Mental Impairments(which affects a major life activity) Physical impairments include ... neurological; musculoskeletal". ... "Mental impairments ... organic brain syndrome" ...
